To holders of ordinary shares of 10p each in the Company

Dear Shareholder,

This letter accompanies the 2007 Annual Report and gives details of the business to be transacted at the Annual General Meeting of the Company.

Annual General Meeting

Notice of the Annual General Meeting is given on pages 5 to 7. Resolutions 1 to 9 set out in the Notice deal with the ordinary business to be transacted at the Meeting and Resolutions 10 and 11 deal with the special business to be transacted.

Resolution 1 – Adoption of the Annual Accounts, Directors’ report and the Directors’ remuneration report

Company law requires the Directors to present their Report, the Annual Accounts and the auditable part of the Directors’ remuneration report to shareholders for formal adoption. The Directors’ report, the Annual Accounts and the Directors’ remuneration report are included in the 2007 Annual Report.

Resolution 2 – Approval of the Directors’ remuneration report

The purpose of Resolution 2 is to approve the Directors’ remuneration report for the year ended 31 December 2007. The Directors’ remuneration report for the year ended 31 December 2007 is contained in the 2007 Annual Report.

Resolution 3 – To declare a Final Dividend and to ratify the payment of the 2007 Final Dividend

The purpose of Resolution 3 is, firstly, to approve the final dividend recommended by the Directors of 2.3p per ordinary share for the year ended 31 December 2007. Secondly, Resolution 3 will approve and ratify the final dividend of 2.1p per ordinary share which was recommended by the Directors in respect of the year ended 31 December 2006 and paid to shareholders on 29 June 2007 and which was not approved by shareholders at the Annual General Meeting of the Company in 2007 as a result of the necessary resolution being accidentally omitted from the notice of that meeting. If the Resolution is approved, the final dividend for the year ended 31 December 2007 will be paid on 27 June 2008 to holders of ordinary shares registered at the close of business on 6 June 2008.

Resolutions 4 to 5 – Election of Directors

The Articles of Association require certain of the Directors to retire by rotation. Accordingly, Michael Grade and Nigel Hall are offering themselves for re-election. Resolution 4 proposes the re-election of Michael Grade and Resolution 5 proposes the re-election of Nigel Hall.

Brief biographies of the Directors are included in the 2007 Annual Report.

Resolution 6 – To reappoint the auditors

The Company is required to appoint auditors at each Annual General Meeting at which accounts are laid before the Company, to hold office until the conclusion of the next such meeting. The Audit Committee has reviewed the effectiveness, independence and objectivity of the external auditors, Ernst & Young LLP, on behalf of the Board, who now propose their reappointment as auditors of the Company.

Resolution 7 – Authority for the Directors to fix the auditors’ remuneration

This Resolution authorises the Directors, in accordance with standard practice, to negotiate and agree the remuneration of the auditors. In practice, the Audit Committee will consider the audit fees for recommendation to the Board.

Resolution 8 – Authority to allot shares

This Resolution asks shareholders to grant the Directors authority under Section 80 of the Companies Act 1985 (the ‘1985 Act’) to allot shares up to a maximum aggregate nominal value of £1,693,263.40, being approximately 37% of the nominal value of the issued ordinary share capital of the Company as at 28 April 2008. This is the maximum permitted amount under best practice corporate governance guidelines being the lesser of the amount of: (i) the authorised but unissued ordinary share capital; and (ii) an amount equal to (a) one-third of the issued ordinary share capital of the Company, plus (b) the amount of share capital which has been reserved for the issue of shares upon the exercise of options and awards granted by the Company. The authority will expire on the earlier of the next Annual General Meeting of the Company and the date which is 18 months from the date of the passing of the Resolution. The Directors have no present intention of exercising such authority. The Resolution replaces a similar resolution passed at the Annual General Meeting held on 25 June 2007.

Resolution 9 – Disapplication of pre-emption rights (Special resolution)

If the Directors wish to allot unissued shares or other equity securities for cash or sell any shares which the Company holds in treasury following a purchase of its own shares pursuant to the authority in Resolution 10 below, the Act requires that such shares or other equity securities are offered first to existing shareholders in proportion to their existing holding. Resolution 9 asks shareholders to grant the Directors authority to allot equity securities or sell treasury shares for cash up to an aggregate nominal value of £229,542.98 (being 5% of the Company’s issued ordinary share capital as at 28 April 2008) without first offering the securities to existing shareholders. The Resolution also disapplies the statutory pre-emption provisions in connection with pre-emptive offerings, for example, rights issues and allows the Directors, in the case of a rights issue, to make appropriate arrangements in relation to fractional entitlements or other legal or practical problems which might arise. The authority will expire on the earlier of the next Annual General Meeting of the Company and the date which is 18 months from the date of the passing of the Resolution.

Resolution 10 – Purchases of own shares by the Company (Special resolution)

Resolution 10 to be proposed at the Annual General Meeting seeks authority from holders of ordinary shares of 10p each in the capital of the Company (‘ordinary shares’) for the Company to make market purchases of its own ordinary shares, such authority being limited to the purchase of 10% of the ordinary shares in issue as at 28 April 2008. The maximum price payable for the purchase by the Company of its own ordinary shares will be limited to 5% above the average of the middle market quotations of the Company’s ordinary shares, as derived from the Daily Official List of the London Stock Exchange, for the five business days prior to the purchase. The minimum price payable by the Company for the purchase of its own ordinary shares will be 10p per share (being the amount equal to the nominal value of an ordinary share). The authority to purchase the Company’s own ordinary shares will only be exercised if the Directors consider that there is likely to be a beneficial impact on earnings per ordinary share and that it is in the best interests of the Company at the time. The Resolution renews a similar resolution passed at the Annual General Meeting on 25 June 2007. Company law allows the Company to hold in treasury any shares purchased by it using its distributable profits. Such shares will remain in issue and capable of being re-sold by the Company or used in connection with certain of its share schemes. The Company intends to take advantage of these provisions to the extent that it exercises the authority to buy back its shares, so as to hold the purchased shares in treasury.

Options to subscribe and awards for up to 1,629,769 ordinary shares, in aggregate, have been granted and are outstanding as at 28 April 2008 (being the latest practicable date prior to publication of this document) representing 3.55% of the issued ordinary share capital at that date. If the Directors were to exercise in full the power for which they are seeking authority under Resolution 10, the options outstanding as at 28 April 2008 would represent 3.94% of the ordinary share capital in issue following such exercise.

Resolution 11 – Adoption of new Articles of Association (Special resolution)

On 8 November 2006, the Companies Act 2006 (the ‘2006 Act’) received Royal Assent. All of the provisions of the 2006 Act, which overhauls the existing 1985 Act, are expected to be in force by October 2009. Certain provisions of the 2006 Act have come into force since the 2007 Annual General Meeting and, consequently, a number of changes are required to the Company’s existing articles of association (the ‘Existing Articles’) to reflect these developments and some of those changes expected later this year.

Resolution 11 proposes the adoption of new articles of association (the '**New Articles**') in substitution for the Existing Articles. The New Articles will be substantially the same as the Existing Articles other than the following material changes:

• ***Votes of members***

Under the 2006 Act proxies are entitled to vote on a show of hands whereas under the Existing Articles proxies are only entitled to vote on a poll. Multiple proxies may be appointed provided that each proxy is appointed to exercise the rights attached to a different share held by the shareholder. The New Articles reflect these new provisions.

• ***Conflicts of interest***

The 2006 Act sets out directors' general duties which largely codify the existing law but with some changes. Under the 2006 Act, from 1 October 2008 a director must avoid a situation where he has, or can have, a direct or indirect interest that conflicts, or possibly may conflict with the company's interests. The requirement is very broad and could apply, for example, if a director becomes a director of another company or a trustee of another organisation. The 2006 Act allows the articles of association to contain provisions for dealing with directors' conflicts of interest to avoid a breach of duty. The New Articles give the directors authority to approve such situations and to include other provisions to allow conflicts of interest to be dealt with in a similar way to the current position.

There are safeguards which will apply when directors decide whether to authorise a conflict or potential conflict. First, only directors who have no interest in the matter being considered will be able to take the relevant decision and, secondly, in taking the decision the directors must act in a way they consider, in good faith, will be most likely to promote the company's success. The directors will be able to impose limits or conditions when giving authorisation if they think this is appropriate.

It is also proposed that the New Articles should contain provisions relating to confidential information, attendance at board meetings and availability of board papers to protect a director being in breach of duty if a conflict of interest or potential conflict of interest arises. These provisions will only apply where the position giving rise to the potential conflict has previously been authorised by the directors. It is the Board's intention to report annually on the Company's procedures for ensuring that the Board's powers to authorise conflicts are operated effectively.

• ***Nomination notices***

The 2006 Act provides for indirect investors who hold their shares through intermediaries to exercise certain membership rights. Even if a company's articles are not specifically amended, members of a company whose shares are admitted to trading on a regulated market will be able to nominate another person (for instance, the beneficial holder of shares) to receive all information to which they are entitled. The New Articles set out the nomination process and include associated provisions relating to the Company's maintenance of records of nominations made.

• ***Directors' indemnities and loans to fund expenditure***

The 2006 Act has in some areas widened the scope of the powers of a company to indemnify directors and to fund expenditure incurred in connection with certain actions against directors. In particular, the existing exemption allowing a company to provide money for the purpose of funding a director's defence in court proceedings now expressly covers regulatory proceedings and applies to associated companies.

• ***General***

Generally the opportunity has been taken to bring clearer language into the New Articles and in some areas to conform the language of the New Articles.

Copies of the proposed New Articles and a version of the Articles of Association showing the proposed changes are available for inspection at the Company's registered office during usual business hours on any weekday (Saturdays, Sundays and public holidays excluded).

The Board expects that the New Articles will also need to be updated at the 2009 AGM as additional provisions of the 2006 Act come into force.

Action to be taken

You are asked to either:

1. complete the attached Form of Proxy and return it, together with any power of attorney or other authority under which it is signed or a notarially certified or office copy thereof, to Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6ZX, so as to arrive no later than 10.30 am on 21 June 2008; or
2. if you hold your shares in uncertificated form, use the CREST electronic proxy appointment service details of which are set out in Note 3 to the Notice of Annual General Meeting.

Completion of the Form of Proxy or appointment of a proxy through CREST does not prevent you from attending and voting in person.

Recommendation

The Board believes that the Resolutions to be put to the Annual General Meeting are in the best interests of the shareholders as a whole and, accordingly, recommends that the shareholders vote in favour of the Resolutions, as the Directors intend to do in respect of their beneficial holdings of ordinary shares which, in aggregate, amount to 1,319,511 ordinary shares (representing approximately 2.9% of the issued share capital of the Company) as at 28 April 2008 (being the latest practicable date prior to publication of this document).

Yours sincerely

Michael Grade
Chairman

- (2) To appoint a proxy you may:
 - (a) use the Form of Proxy enclosed with this Notice of Annual General Meeting. To be valid, the Form of Proxy, together with the power of attorney or other authority (if any) under which it is signed or a notarially certified or office copy of the same, must be deposited by 10.30 am on 21 June 2008 at the offices of Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6ZX; or
 - (b) if you hold your shares in uncertificated form, use the CREST electronic proxy appointment service as described in Note (3) below.

Completion of the Form of Proxy or appointment of a proxy through CREST will not prevent you from attending and voting in person.

- (3) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting to be held on 23 June 2008 and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a '**CREST Proxy Instruction**') must be properly authenticated in accordance with CRESTCo's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 7RA01) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that CRESTCo does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

- (4) Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, only shareholders registered in the register of members of the Company as at 6.00 pm on 21 June 2008 shall be entitled to attend and vote at the Annual General Meeting in respect of the number of shares registered in their name at such time. If the Meeting is adjourned, the time by which a person must be entered on the register of members of the Company in order to have the right to attend and vote at the adjourned Meeting is 10.30 am on the day preceding the date fixed for the adjourned Meeting. Changes to the register of members after the relevant times shall be disregarded in determining the rights of any person to attend and vote at the Meeting.
- (5) In the case of joint holders, the vote of the senior holder who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holding.
- (6) The following documents are available for inspection at the registered office of the Company, Pinewood Road, Iwer Heath, Buckinghamshire SL0 0NH, during usual business hours on any weekday (Saturdays, Sundays and public holidays excluded) from the date of this Notice until the conclusion of the Annual General Meeting and will be available for inspection at the place of the Annual General Meeting for at least 15 minutes prior to and during the Meeting:
