To holders of ordinary shares of 10p each in the Company

Dear Shareholder,

This letter accompanies the 2006 Annual Report and gives details of the business to be transacted at the Annual General Meeting of the Company.

Annual General Meeting

Notice of the Annual General Meeting is given on page 6. Resolutions 1 to 8 set out in the Notice deal with the ordinary business to be transacted at the Meeting and Resolutions 9 and 10 deal with the special business to be transacted.

Resolution 1 – Adoption of the Annual Accounts, Directors’ Report and the Directors’ Remuneration Report

Company law requires the Directors to present their Report, the Annual Accounts and the auditable part of the Directors’ Remuneration Report to shareholders for formal adoption. The Directors’ Report, the Annual Accounts and the Directors’ Remuneration Report are included in the 2006 Annual Report.

Resolution 2 – Approval of the Directors’ Remuneration Report

The purpose of Resolution 2 is to approve the Directors’ Remuneration Report for the year ended 31 December 2006. The Directors’ Remuneration Report for the year ended 31 December 2006 is contained in the 2006 Annual Report.

Resolutions 3 to 4 – Election of Directors

The Articles of Association require certain of the Directors to retire by rotation. Accordingly, Ivan Dunleavy and Adrian Burn are offering themselves for re-election. Resolution 3 proposes the re-election of Ivan Dunleavy and Resolution 4 proposes the re-election of Adrian Burn.

Brief biographies of the Directors are included in the 2006 Annual Report.

Resolution 5 – To reappoint the auditors

The Company is required to appoint auditors at each Annual General Meeting at which accounts are laid before the Company, to hold office until the conclusion of the next such meeting. The Audit Committee has reviewed the effectiveness, independence and objectivity of the external auditors, Ernst & Young LLP, on behalf of the Board, who now propose their reappointment as auditors of the Company.

Resolution 6 – Authority for the Directors to fix the auditors’ remuneration

This Resolution authorises the Directors, in accordance with standard practice, to negotiate and agree the remuneration of the auditors. In practice, the Audit Committee will consider the audit fees for recommendation to the Board.

Resolution 7 – Authority to allot shares

The Resolution asks shareholders to grant the Directors authority under Section 80 of the Companies Act 1985 (the ‘Act’) to allot shares up to a maximum aggregate nominal value of £1,676,211.20, being approximately 37% of the nominal value of the issued ordinary share capital of the Company as at 18 April 2007. This is the maximum permitted amount under best practice corporate governance guidelines being the lesser of the amount of: (i) the authorised but unissued ordinary share capital; and (ii) an amount equal to (a) one-third of the issued ordinary share capital of the Company, plus (b) the amount of share capital which has been reserved for the issue of shares upon the exercise of options and awards granted by the Company. The authority will expire on the earlier of the next Annual General Meeting of the Company and the date which is 18 months from the date of the passing of the Resolution. The Directors have no present intention of exercising such authority. The Resolution replaces a similar resolution passed at the Annual General Meeting held on 19 June 2006.

Resolution 8 – Disapplication of pre-emption rights (Special resolution)

If the Directors wish to allot unissued shares or other equity securities for cash or sell any shares which the Company holds in treasury following a purchase of its own shares pursuant to the authority in Resolution 9 below, the Act requires that such shares or other equity securities are offered first to existing shareholders in proportion to their existing holding. Resolution 8 asks shareholders to grant the Directors authority to allot equity securities or sell treasury shares for cash up to an aggregate nominal value of £229,093.43 (being 5% of the Company’s issued ordinary share capital as at 18 April 2007) without first offering the securities to existing shareholders. The Resolution also disapplies the statutory pre-emption provisions in connection with pre-emptive offerings, for example, rights issues and allows the Directors, in the case of a rights issue, to make appropriate arrangements in relation to fractional entitlements or other legal or practical problems which might arise. The authority will expire on the earlier of the next Annual General Meeting of the Company and the date which is 18 months from the date of the passing of the Resolution.

Resolution 9 – Purchases of own shares by the Company (Special resolution)

Resolution 9 to be proposed at the Annual General Meeting seeks authority from holders of ordinary shares of 10p each in the capital of the Company (‘ordinary shares’) for the Company to make market purchases of its own ordinary shares, such authority being limited to the purchase of 10% of the ordinary shares in issue as at 18 April 2007. The maximum price payable for the purchase by the Company of its own ordinary shares will be limited to 5% above the average of the middle market quotations of the Company’s ordinary shares, as derived from the Daily Official List of the London Stock Exchange, for the five business days prior to the purchase. The minimum price payable by the Company for the purchase of its own ordinary shares will be 10p per share (being the amount equal to the nominal value of an ordinary share). The authority to purchase the Company’s own ordinary shares will only be exercised if the Directors consider that there is likely to be a beneficial impact on earnings per ordinary share and that it is in the best interests of the Company at the time. The Resolution renews a similar resolution passed at the Annual General Meeting on 19 June 2006. Company law allows the Company to hold in treasury any shares purchased by it using its distributable profits. Such shares will remain in issue and capable of being re-sold by the Company or used in connection with certain of its share schemes. The Company intends to take advantage of these provisions to the extent that it exercises the authority to buy back its shares, so as to hold the purchased shares in treasury.

Options to subscribe and awards for up to 1,489,217 ordinary shares, in aggregate, have been granted and are outstanding as at 18 April 2007 (being the latest practicable date prior to publication of this document) representing 3.25% of the issued ordinary share capital at that date. If the Directors were to exercise in full the power for which they are seeking authority under Resolution 9, the options outstanding as at 18 April 2007 would represent 3.61% of the ordinary share capital in issue following such exercise.

Resolution 10 – Adoption of new Articles of Association (Special resolution)

On 8 November 2006, the Companies Act 2006 (the ‘2006 Act’) received Royal Assent. All of the provisions of the 2006 Act, which overhauls the existing Companies Act 1985 (the ‘1985 Act’), will be in force by October 2008. Certain provisions of the 2006 Act have already come into force and, consequently, a number of changes are required to the Company’s existing articles of association (the ‘Existing Articles’) to reflect these developments.

Resolution 10 proposes the adoption of new articles of association (the '**New Articles**') in substitution for the Existing Articles which will incorporate the following changes:

• ***Electronic communications***

At present companies may provide certain information via their websites to shareholders who specifically agree to website publication. The 2006 Act enables companies to deem that agreement has been given if a shareholder does not respond to a request for agreement to receive information via the Company's website within twenty-eight days from the date of the request.

The New Articles include provisions which will allow the Company to take advantage of the new regime for electronic communications and provide that, in accordance with the 2006 Act, shareholders may be deemed to have agreed to receive information electronically.

Accompanying this notice is a letter which explains the process for electronic communications. If resolution 10 is approved, the Company intends to apply the new process.

If you wish to continue receiving hard copies of information by post, you are required to respond to the enclosed letter. If you fail to respond, you will be deemed to have agreed to receive information electronically; however, you will still be able to request such information from the Company in hard copy at no cost to you.

• ***Investigations into interests in shares***

With effect from 20 January 2007, sections 212 and 216 of the 1985 Act, which allowed public companies to investigate who holds interests in its shares, were repealed and replaced by new (but similar) provisions contained in sections 793 and 794 of the 2006 Act. References to sections 212 and 216 of the 1985 Act in the Existing Articles are now out of date. The New Articles refer to the new section numbers in the 2006 Act.

• ***Maximum age of directors***

Sections 293 and 294 of the 1985 Act, which prevented a person from being appointed a director of a company if he had reached the age of 70 (subject to certain exceptions) and imposed a duty on a director to disclose his age, if over 70, have been repealed by the 2006 Act. The New Articles take advantage of the 2006 Act by removing the references to section 293 of the 1985 Act and the requirement for the Board to give notice of the age of a Director who is 70 or more in any document accompanying a notice of AGM.

• ***Notice period for general meetings***

The Existing Articles reflect the provisions of the 1985 Act relating to the notice period for a general meeting at which a special resolution is to be proposed (ie 21 clear days' notice). Section 307 of the 2006 Act, which is expected to come into force in October 2007, permits public companies to shorten this notice period for extraordinary general meetings at which a special resolution is to be proposed to 14 clear days' notice. The New Articles enable the Company to take advantage of any such shorter period, from the time at which section 307 of the 2006 Act comes into force.

Copies of the proposed New Articles and a version of the Articles of Association showing the proposed changes are available for inspection at the Company's registered office during usual business hours on any weekday (Saturdays, Sundays and public holidays excluded).

The Board expects that the New Articles will also need to be updated at the 2008 AGM as additional provisions of the 2006 Act come into force.

Action to be taken

You are asked to either:

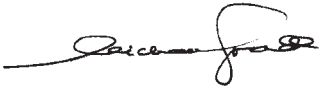

1. complete the attached Form of Proxy and return it, together with any power of attorney or other authority under which it is signed or a notarially certified or office copy thereof, to Lloyds TSB Registrars, The Causeway, Worthing, West Sussex BN99 6ZX, so as to arrive no later than 10.30 am on 23 June 2007; or
2. if you hold your shares in uncertificated form, use the CREST electronic proxy appointment service details of which are set out in Note 3 to the Notice of Annual General Meeting.

Completion of the Form of Proxy or appointment of a proxy through CREST does not prevent you from attending and voting in person.

Recommendation

The Board believes that the Resolutions to be put to the Annual General Meeting are in the best interests of the shareholders as a whole and, accordingly, recommends that the shareholders vote in favour of the Resolutions, as the Directors intend to do in respect of their beneficial holdings of ordinary shares (in respect of which they have the power to exercise or direct the exercise of voting rights) which, in aggregate, amount to 1,985,803 ordinary shares (representing approximately 4% of the issued share capital of the Company) as at 18 April 2007 (being the latest practicable date prior to publication of this document).

Yours sincerely

Michael Grade
Chairman

Notes:

- (1) A member entitled to attend and vote at the Meeting convened by the above Notice is entitled to appoint one or more proxies to attend and, on a poll, to vote in his place. A proxy need not be a member of the Company.
- (2) To appoint a proxy you may:
 - (a) use the Form of Proxy enclosed with this Notice of Annual General Meeting. To be valid, the Form of Proxy, together with the power of attorney or other authority (if any) under which it is signed or a notarially certified or office copy of the same, must be deposited by 10.30 am on 23 June 2007 at the offices of Lloyds TSB Registrars, The Causeway, Worthing, West Sussex BN99 6ZX; or
 - (b) if you hold your shares in uncertificated form, use the CREST electronic proxy appointment service as described in Note (3) below.

Completion of the Form of Proxy or appointment of a proxy through CREST will not prevent you from attending and voting in person.

- (3) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting to be held on 25 June 2007 and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a '**CREST Proxy Instruction**') must be properly authenticated in accordance with CRESTCo's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 7RA01) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that CRESTCo does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

- (4) Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, only shareholders registered in the register of members of the Company as at 6.00 pm on 23 June 2007 shall be entitled to attend and vote at the Annual General Meeting in respect of the number of shares registered in their name at such time. If the Meeting is adjourned, the time by which a person must be entered on the register of members of the Company in order to have the right to attend and vote at the adjourned Meeting is 10.30 am on the day preceding the date fixed for the adjourned Meeting. Changes to the register of members after the relevant times shall be disregarded in determining the rights of any person to attend and vote at the Meeting.
- (5) In the case of joint holders, the vote of the senior holder who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holding.
- (6) The following documents are available for inspection at the registered office of the Company, Pinewood Road, Iwer Heath, Buckinghamshire SL0 0NH, during usual business hours on any weekday (Saturdays, Sundays and public holidays excluded) from the date of this Notice until the conclusion of the Annual General Meeting and will be available for inspection at the place of the Annual General Meeting for at least 15 minutes prior to and during the Meeting:
 - (a) the register of interests of the Directors and their families in the share capital of the Company;
 - (b) copies of service contracts between the Directors and the Company or its subsidiary undertakings; and
 - (c) copies of the current Articles of Association of the Company, the proposed Articles of Association of the Company and a version of the Articles of Association showing the proposed changes.
